MEMORANDUM FOR THE RECORD 25X1A

SUBJECT: Concurrence in Amendment No. 6 to Contract No. AF33(600)-  
37821 (SC-991) with [REDACTED]

25X1A [REDACTED] Project CHALICE and Air Force

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is set forth in Paragraph 5.

2. Contract No. AF33(600)-37821 (SC-991) provides for the services of necessary personnel to assist in installation, train government personnel in the operation, service, and to make minor repairs to equipments previously delivered to the Project and FOG under Contract No. SC-990. Amendment No. 6 to the Contract has been drawn to add additional funds to cover the cost of modification of System VII.

25X1A

25X1A

3. Additional FY-1960 CHALICE funds in the amount [REDACTED] should be obligation to cover this requirement. This results in a total amount of [REDACTED] obligated from FY-1960 Project CHALICE funds under the contract. Authority for this obligation is contained in Activity Program, CHAL-0937-60, dated 4 April 1960. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.
